

The Baviaanskloof Reserve field rangers will shortly receive further support with the donation of 21 backpacks and additional essential field kit - water bottles, metal cups, socks, space blankets.

Thank you **Dave Wakeford** and **RABCO** for generously donating the backpacks and everyone who made this donation possible. The Baviaanskloof Trail Run sponsored the 'fillers'.

The field rangers perform a valuable function in the Baviaanskloof and these donations are a small token of our appreciation for the sterling work they carry out.
