

Baviaanskloof Trail Run - Field Rangers with donated kit

Monday, 05 November 2018 10:53

Over this past weekend the Baviaanskloof Field Rangers received their backpacks and other essential field kit. See ' [Field Rangers receive kit](#) '.

Added to the **Rabco** donated backpacks there were superb ripstop tarps as well as a full electrical toolbox and a variety of cable ties, including handcuff cable ties, generously donated by [HellermannTyton](#) .

The tarps look brilliant and will be of huge benefit when the rangers overnight in the veld.
